1. Introduction

Ashton Central Swimming Club recognises that the high standards and quality of the service it provides is dependent upon the contribution, effort and loyalty of the volunteers.

The club's Succession and Recruitment policy aims to:

- Support and continuously improve the consistency and effectiveness of the Club's succession and recruitment processes.
- Ensure that the Club is attracting and selecting volunteers with suitable skills, knowledge, experience and qualifications, or the willingness to undertake.
- Set out a framework to promote objective, fair and transparent recruitment processes.
- Ensure that selection decisions are based on objective and justifiable criteria.

The purpose of this policy is to ensure Club has volunteers with the required skills and competencies to be considered for the posts available to ensure the continued running of the Club's activities. The Club needs to forward plan to prevent interruption in service at any level if a position becomes vacant and to ensure that the Club has a healthy and vibrant future.

2. Succession planning

Succession planning will only be successful if the committee take the following into consideration:-

- long term sickness;
- maternity leave;
- retirement;
- volunteer turnover, report patterns and trends;
- balance swimming members with teacher/coach ratio;
- development of all volunteers in their roles.

In the preparation of workforce development plans consideration should be given to volunteers who can undertake future roles after training and development. This approach will prepare for future changes to the workforce by developing Club members and their parents/guardians to ensure the continuation of plans and their execution.

The Club committee adopted the Amateur Swimming Association (ASA) / Swim 21 framework, for committee members, coaches, teachers, poolside helpers, and all other volunteer roles.

All volunteers are asked to give 3 months notice if they wish to leave their roles. This allows the committee time to recruit and induct new members. When notice is given then the committee will commence a recruitment drive.

3. Recruitment

Legal Requirement to Equal Opportunities – Equality Act 2010

The Club seeks to develop positive practice to promote equality of opportunity in the recruitment of volunteers. Specifically, it aims to ensure that every possible step is taken to ensure individuals are treated equally and fairly and that decisions on recruitment are based solely on job related criteria and merit.

The Club aims to attract, appoint and retain the best volunteers regardless of their age, disability, gender reassignment, race, religion or belief, sex, sexual orientation, marriage and civil partnership and pregnancy and maternity, in line with the Equality Act 2010.

The club will take positive action to increase the involvement of under represented groups in all aspects of the organisation.

All volunteers will be required to undertake Disclosure and Barring Service screening and if a coaching/teaching position taken, child protection training.

Volunteers training is **fully or partially** funded by the club and therefore will be required to complete the 'Training Agreement' (Appendix 1). They will be required to commit to an agreed number of sessions per week.

4. Who do we recruit?

The committee welcomes volunteers. All our volunteers are parents, ex- parents, swimmers, ex-swimmers, grandparents or friends of committee. We would welcome volunteers who have no direct association with the club. All our volunteers complete an application form (Appendix 2) and are interviewed by the management committee for their suitability and their skills associated with the job description (Appendix 3). The management committee consists of the chairman, secretary, treasurer, head coach, coach/teacher and the membership secretary. We actively encourage our teenage swimmers to be poolside helpers and encourage their development and training.

There are many different roles within Ashton Central Swimming Club.

- Coaches
- Teachers
- Assistant teachers
- Poolside helpers
- Team managers
- Timekeepers
- Committee members

Other opportunities are available such as chaperone, fundraising etc.

5. What training is available?

Formal Training

- Coaching/Teaching/Assistant teaching. We will provide financial assistance for these courses. There is a pre requisite of 12 months poolside helper service prior to consideration by the committee to fund such courses.
- Officiating. The club will financially assist anyone wishing to take their ASA timekeepers, judges and starter exam. On occasions, the club will bring an external examiner in to teach a group of volunteers for timekeeping.

Informal Training

- Working alongside an experienced teacher to gain experience (Appendix 4).

Poolside and assistant teachers are always supervised by a swimming coach/teacher. Teachers/Assistant teachers will be appointed a mentor and are able to go through a preceptorship period.

Officials can work alongside experienced officials.

*There are circumstances when poolside volunteers will be accepted when they are not club members. This is when the volunteer is involved in a scheme i.e Duke of Edinburgh award scheme, (or similar). The volunteer must complete the poolside volunteer application form and be agreed by the committee, deemed to be of value to the club session and be ASA registered.

6. Recruitment of swimmers

Swimmers are eligible from 4 years of age to masters.

- Initial referral via local pools and telephone contact
- Personal Contact
- Local Sport website
- School swimming galas
- Notice boards at local pools
- Siblings of swimmers
- Friends of swimmers

All swimmers are trialed prior to commencement to assess stroke competency and allocated a group in which they will be able to develop to their full potential. They need to complete the application form to join Club (Appendix 5).

We ask that when the swimmer leaves they inform the committee, at their earliest convenience, then their place can be re-allocated. An evaluation form is requested to be completed. This is to audit the service, make improvements, when required (Appendix 6) and is sent out to all leavers with an accompanying letter (Appendix 7).

Dear

Thank-you for your recent correspondence to inform us, that you wish to resign as a member from Ashton Central Swimming Club.

It is with some regret that we accept your resignation; however, we do hope that you have enjoyed your time swimming with Ashton Central and that you will continue to enjoy swimming in the future.

If at any time you should wish to return to swim with the club, we will be delighted to consider your application for membership.

Many thanks and kind regards,

Mrs. A. Hughes

Hon Secretary

On behalf of Ashton Central Club Committee
